

UROR

UTAH ROOTING OUT RACISM

Parents, educators, students, researchers, and community members working together to promote the values of equity, inclusion, and diversity in Utah schools.

ILLUMINATE

Create and share accurate information about the reality of racism and the role educational equity plays in rooting it out in schools.

EMPOWER

Prepare our community to engage in the political process and advocate for equitable, inclusive schools.

INFLUENCE

Work with the Utah State Board of Education, local school boards, educators, and legislators to create and implement inclusive curriculums and policies, train educators, and promote fairness and belonging in Utah's schools and classrooms.
